Annotations in margins.
Grace f-10 moving coil. I bought one of these off an a'goner last year. Initially it was a bit bright and the low end was brittle and lifeless. However, after about 50 or so hours, it is really coming to life. Although it is still a shade bit bright, the balance on this cart is really sweet and exciting. The low end has shown up with fine definition, especially on well recorded lp's. I know that Grace was built by the Sumiko, and interestingly enough, the F-10 body style looks very similar to the Blue Point No. 2. The sound is also similar, but without the simblance produced by the Blue Po
