Sauce
Author: Ronnie Barker
Publisher: book club associates
Edition:  
Book Size: 300mm x 230mm  
Pages: 125  
Volumes: 1
Condition: Fair  
Jacket Condition: Hardcover
Description: Book has general wear. Few pages are slightly dirty. This book is meant to delight the eye. It is intended as most culinary sauces do, to tickle the palate. The dictionary describes sauce as a thing mixed, a tinge, a tincture, a touch, a dash, a sprinkling, a seasoning, a soupcon, a smack, and within these pages I have tried to provide all of these by word and picture, but mostly you will find by picture. It is a scrapbook of popular postcard and magazine art of days gone by and so many of the pictures require no explanation, all they need is to be looked at. I do hope you find most of them worth it.

Description: Clearly Orwell was off his trolley. Who would put up with a world like that? Unless of course they could roll around laughing at it, which in the magnum opus of the Burmese policeman they sinularly fail to do. And that is because one of the most important things that the inept seer neglected to include in his gloomy vision was that whatever else happened in 1984 there would still be Punch.

Description: In the summer of 1980, 139 years on, with all Europe in political disarray, war raging in Afghanistan presidency in disorder, a group of madmen and layabouts continued to meet in London boozers in order to conclude that nothing could be done about the grievous world situation. Except go on producing the only magazine which offered a sensible alternative to worrying about it, that alternative being laughing yourself into a state of unicorn. This book represents a typical selection from the latest barmy year we have to hand. It is probably the best thing to come out of 1980.
