A Second Look at The Federal Reserve. $24.50. Join Waiting List. Many other updates have been added, including a revision to the list of those who attended the historic meeting at Jekyll Island where the Federal Reserve was created. Where does money come from? Where does it go? Who makes it? The money magician's secrets are unveiled. Here is a close look at their mirrors and smoke machines, the pulleys, cogs, and wheels that create the grand illusion called money. A boring subject? Just wait. Creature from Jekyll Island Reads like a detective story which it really is. But it's all true. This book is about the most blatant scam of all history. It's all here: the cause of wars, boom-bust cycles, inflation, depression, prosperity. Creature from Jekyll Island is a "must read." Your world view will definitely change. You'll never trust a politician again or a banker. ...more.Â There could be an excellent argument in the second half of the book. But unfortunately, I couldn't bear to finish reading the book. ...more. flag 30 likes Â· Like Â· see review. The creature. Fron/}
